NOTEWORTHY NEWER PLANTS FOR SPRING 2012

Senetti - Beautiful Early Spring Color that's irresistible! Use as focal plant in early spring containers

Lobularia Silver Stream - Thrives in hot & cold temperatures with a zillion tiny, fragrant blooms. Use as groundcover or spilling over side of container

Verbena Lanai Twister Pink - Creates an exciting "Twister" of color. Top performing variety. Use as groundcover or spilling over side of container.

Calliope Geraniums - The only geranium that's guaranteed to bloom all summer! Deep, dark red flower makes this one perfect.
